

# VELA TANGO 100EF AND 200EF

## VELA Tango 100EF

VELA Tango 100 is a special chair with brake. The back is higher and the seat larger than VELA Tango 100 for optimal support. The VELA Tango 200EF is an ergonomic chair with electric height adjustment, allowing the patient to sit down and stand up unaided, with a resulting decrease in the onus on the healthcare worker.
